“Toward A Sustainable Energy Future” DVD Presentation

Order your copy of leading energy expert Charlie Stephens’ presentation “Toward a Sustainable Energy Future” that was featured at the Greater Portland Council of Governments’ (GPCOG) first sustainability forum on March 21, 2008.

Stephens’ captivating and straight-talking presentation reflects on the current world energy situation, addresses the problems associated with the diminishing energy supply, and offers suggestions on how energy can be consumed at a more sustainable rate.

The DVD features Stephens’ audio commentary synchronized to his slide presentation.
