## 3. Safe Streets for All (SS4A) Background

**15 minutes**

The notice of funding for the next round of the Safe Streets & Roads for All Grant has been released. The deadline for applications is July 10, 2023.

GPCOG staff are hopeful that the PACTS Policy Board will approve the Vision Zero Action Plan in late May in advance of the application deadline, making the 18 PACTS communities eligible for implementation and/or supplemental planning funding. To that end, we'll need a strategy in place soon so that communities and/or the region can get started with grant applications. To maximize our region's success in obtaining funding, we will be hosting a meeting for managers from the 18 PACTS municipalities (or their designees), PACTS officers, a representative of MaineDOT, and GPCOG staff to discuss the parameters of the grant and our options.

Please note – there are no foregone conclusions here about our best path forward. That is the purpose of the meeting: to understand the options available and maximize our opportunity for funding.

## 4. Discussion

**40 minutes**
