**Welcome**

**Biddeford-Saco Transit-Oriented Development Concept Plan**

We're working on a plan to ensure safe, sustainable, and equitable growth in the Biddeford-Saco mill area. Our main goal is to identify opportunities to make it safer and easier to walk, bike, and take public transit. Please help us by filling out this survey and sharing your thoughts and ideas.

**What is Transit-Oriented Development (TOD)?**  
TOD is an approach to development that maximizes the amount of residential, business, and leisure space within an easy walk of public transit. The goal is to promote sustainable growth by increasing walkability and transit use while reducing reliance on private vehicles.
