RE : 2019 Crack Sealing Bid Award

Thank you for submitting in response to our invitation for bids on **Crack Sealing Services** for the contract period May 15, 2019 through May 14, 2020. We are awarding the contract to Coastal Road Repair, LLC of Windham, Maine for work in Casco, Freeport, Scarborough, South Portland, Windham, and Yarmouth at a price of \$13.00 per gallon placed, with a minimum of 350 gallons per shift. No price was provided for pavement milling/routing.

Coastal did not provide a bid for Portland; in that case, we are awarding the contract for crack sealing services in Portland to ProSeal, LLC of Waterville, Maine at a price of \$17.70 per gallon priced. ProSeal also did not provide a price for pavement milling/routing.

Thanks to all participating municipalities and contractors in the process. For those municipalities who did not submit an estimated budget but are still interested in being added to the bid, please let me know.

Please contact me at 207-774-9891, extension 216 if you have any questions.
